### IN MY OWN WORDS

*Since childhood, I have been very much in love with the Arts. My parents sent me to the College of Art in India, where I have completed 5 graduation courses in fine arts and one year Masters in Fine Arts.*

*During and after my college days, I continued to expand my painting skills. Later, due to full time work and family commitments, my participation in exhibitions and competitions was put on hold. After migrating to Australia, I have completed my Masters in Education and began teaching visual arts in high schools.*

**S**USHEELA Giri has a Masters Degree in Education and over 25 years of experience as a freelance artist, exhibiting Water Colours and Oil paintings, pencil sketches and freehand drawings in various exhibitions.

She is a qualified Visual Arts teacher from Catholic University, accredited to the Parramatta Diocese, has worked in Catholic Schools in Granville and Merrylands teaching Visual Arts.

Since 2016, she is running a home based art school for children, and has also resumed her participation in exhibitions and Art Competitions. She has won Parramatta Open Arts Award, Bankstown Annual Art Awards, Westmead Art World Award and a few more at various Art Exhibitions.
